CC: National Chairperson of Communications (for information)

From National Chairperson of Communications:

**Mass in Honour of Our Lady of Good Counsel  
The League is again sponsoring a mass in honour of  
Our Lady of Good Counsel scheduled to air on  
**April 28th.****

Unfortunately, the desired date of April 26th, the feast day of Our Lady of Good Counsel, was taken by another donor. Kindly ask your diocesan counterparts to inform members of the date change. **Held and taped at Loretto Abbey Chapel**, the mass is being offered for the living and deceased members, their families, spiritual advisors and the League's wellbeing in its 102nd year. Due to restrictions still in place, only a minister of the word will be present. Nevertheless, members will be able to view the televised mass and pray together virtually with their sisters across Canada. Kindly ask your diocesan counterparts to advise members to check their local television listings for air times.

**Proper Format when referring to the League:**

There have been some discrepancies with the proper format when referring to the League. The formal and correct title is **The Catholic Women's League of Canada** with a capital on 'The.' When using the shortened version, Catholic Women's League, the acronym CWL, or referring to the organization as 'the League,' it is not necessary to use or capitalize 'the.' In this way, we will all be on the same page

Article in the Spring issue of the League Magazine by Pauline Krupa, Life Member and Communications Sub-committee Member

This is an excellent article calling all of us to re-new our efforts to protecting our children and youth. As you go into your in-person meetings and conventions consider handing out Pornography Hurts postcards that can be sent to MPs and Senators.

Postcards should be available from your Communications Chair or you may contact me at [abmkprovcommunications@gmail.com](mailto:abmkprovcommunications@gmail.com) for more.
