### **Walter Krewski Awards Reminder**

It has been said that women are the heart of God and that is truly reflected by the women of the CWL who, united by a shared common faith and spirituality continued their good works in 2020.

**ZOOM & Go To Meeting** have become a part of our vernacular. The "hug" is greatly missed. The past year has been a challenging one for our councils during this time of pandemic and yet they have managed to continue and some even to "thrive" and increase their membership. This represents a ray of hope for the future of the CWL in Alberta Mackenzie and should/must be recognized, shared, and celebrated so they can serve as an inspiration to others.

**The Father Walter Krewski Membership Awards** were introduced in 2007 to honour the memory of this much-loved priest who served as a spiritual advisor on parish, diocesan and provincial CWL councils. He was a great promoter of the Catholic Women's League and its value in the Catholic Church.

The award categories are:

1. Greatest increase NEW members
2. Greatest overall increase in membership
3. Greatest percentage increase in membership
