

**Alberta Mackenzie Provincial Council  
Resolutions Annual Report 2010  
(80 councils reporting)**

Councils in Alberta Mackenzie Province reported on the study and implementation of resolutions passed by other levels with focus on the following resolutions passed at the national level.

**2009.02 Protection and Support Services for Foreign Victims of Human Trafficking**

Most councils reported that they had participated in opposing the prostitution of women and girls at the 2010 Olympics and continue to ask for support for victims of human trafficking.

**2007.03 Hospice Palliative Care: An Integral Component of the Canadian Health Care System**

Members are keeping up to date on palliative care issues in their communities. One council asked palliative care speakers to come to their meeting to become better informed.

**2007.02 Global Accountability for Canadian Registered Mining Companies**

Petitions and cards were sent for the Development and Peace "safe drinking water project" and also good mining practices.

**2005.11 Assisted Suicide - A Criminal Offence**

Many members and councils have taken out a membership in the Euthanasia Prevention Coalition and read out their information to the members at meetings.

**2004.01 Protection of Human Life**

Post cards were sent to provincial government stating that tax payers' dollars should not be used to fund abortions. Members also asked the governments to stop funding Planned Parenthood, an organization that promotes abortion.
