

RESOLUTIONS COMMUNIQUE – FEBRUARY 16, 2012

I would encourage all ladies to attend the Annual Provincial Convention to be held in Whitecourt, June 1 – 3, 2012.

We are hoping to have a Resolutions workshop, so that members understand the process of writing a resolution to bring to Convention. We need to continue to be proactive in our commitment to our communities and country on Social Justice issues. Our voice is heard at all levels of the Government, because of our large membership and our past history of standing up for those that don't have a voice.

Please come and see what your council can get involved with and how to write to all Government levels. Together we are strong.

There will be three resolutions presented to the Convention.

They are: "Equal Employment Insurance Parental Benefits for Adoptive Parents"

"Keeping God in Canada"

"Support Temporary Workers to Become Permanent Residents"

The last one was presented last year at Provincial and National Conventions. The national Resolutions Committee said that it needed more work, so it will be presented again at the Provincial Convention.

Hope to see many of you at our Annual Convention in Whitecourt.

God Bless you for all your work for God and Canada.

Yvette F., Provincial Resolutions Chairperson
