**Treasurer
Communiqué 1**

DATE: November 14, 2019

TO: Diocesan Treasurers
CC: Provincial Executive (for information)
CC: National Secretary/ Treasurer (for information)
FROM: Gwen Elliott: Provincial Treasurer

Alberta Mackenzie Provincial Council Voluntary Funds

Motion 2019.19 was made at the Alberta Mackenzie Provincial Convention in Grande Prairie that a voluntary fund be set up to support the **Alberta March for Life** held in Edmonton. The fund was set up to help with the expensive security charges incurred for putting on the March.

May 14th, 2020 is the date for the Alberta March for Life. Information can be obtained by visiting the website at: albertamarchforlife.com

Nickels for the North is a voluntary fund that supports our sisters in Mackenzie -Fort Smith Diocese in the Northwest Territories. This past year \$3,300. was sent to the Diocesan council to support them with traveling to meetings and conventions. A full explanation about this fund is on the provincial website.

There is a dual Remittance form available on the provincial website cwl.ab.ca go to Latest Articles on the right hand side, click on Secretary & Treasurer.

Membership & Liability Insurance

With the September 30, 2019 Memo we were informed by Janet McLean, national secretary-treasurer that councils would be responsible to pay for the Liability insurance. The online system would be set up to do the membership and calculate the insurance premium as well giving the total amount to be submitted. Councils who do not do their membership online are able to use the updated form on the national website 500 Series: Form #514 new and renewed member list form (pdf) or (fillable) Per capita fees will be returned to the council if the Liability insurance premium is not included in the payment.

"Liability insurance is a necessity for parish councils to provide protection in the event of an accident"

Annual Reports

Diocesan Treasurers please complete the Treasurer's Annual Report form when you have received the information from your councils. In order to have an accurate picture of the donations made in Alberta is important that as much information can be put together to prepare the provincial report.
